Get your vaccine now Before the virus gets you

COVID-19 has
affected most
countries in the world

90% of scientists say
that SARS-CoV-2 virus is
here to stay*

Vaccine is the most effective way
to fight COVID-19

* Nicky Philips. The coronavirus is here to stay — here's what that means
Nature 590, 382-384 (2021) doi: <https://doi.org/10.1038/d41586-021-00396-2>
