

Examination Arrangement for Typhoons, Black Rainstorm and Extreme Conditions Warning

1. All examinations will be held as scheduled when local typhoon signal No. 3 or red rainstorm warning is issued, unless otherwise announced by the College.
2. If the local storm warning signal No. 8 or above, or the black rainstorm warning, or the extreme conditions is issued after the start of an examination, the examination will continue until the end of that examination session.
3. All examinations will be postponed if local typhoon warning signal No. 8 or above, or black rainstorm warning, or extreme conditions is issued before the beginning of the examination. The candidates will be informed of the details of the postponement.
4. On the day of examination, if there is any doubt about the examination arrangement for typhoons, rainstorm warning and extreme conditions, please contact College Secretary (College Chamber: 2871 8756) or Dr. WONG Chi Kin Felix (2255 1293/9634 5771).
