

## PRESENTATIONS IN CONFERENCE

(This requirement is mandatory and applies to all trainees of all disciplines registered on or after 16 October 2008.)

Trainees are required to make two presentations, which can be either on-stage or poster presentation, within their six years of recognised training. The presentation should be at local or overseas conference endorsed by the Training and Examinations Committee of the College. At least one of the presentations must be at the Trainee Presentation Sessions or conferences organised by the College.

The non-College organised meetings for trainee presentations can be:

Educational activities arranged by (a) organisers pre-approved by the Education Committee (refer to <a href="#">Category A, CME/CPD Pre-approval List of CME/CPD Activities Nominated by Specialty Coordinators, The Hong Kong College of Pathologists</a> ) or (b) the following:		
For trainee in <b>Anatomical Pathology</b> only <ul style="list-style-type: none"> <li>• Divisions of International Academy of Pathology (IAP), including Hong Kong division (HKIAP)</li> <li>• Hong Kong Society of Cytology (HKSC) (Annual General Meeting only)</li> <li>• Japanese Society of Pathology</li> <li>• Pathological Society of Great Britain and</li> </ul>	For trainee in <b>Immunology</b> only <ul style="list-style-type: none"> <li>Immunology (International)</li> <li>• American College of Allergy, Asthma and Immunology</li> <li>• American Society of Clinical Pathology</li> <li>• Association for Molecular Pathology</li> <li>• Australasian Society for Immunology</li> <li>• British Society for Allergy and Clinical</li> </ul>	For trainee in <b>Haematology</b> only <ul style="list-style-type: none"> <li>Haematology (International)</li> <li>• American College of Medical Genetics and Genomics</li> <li>• American Society of Clinical Pathology</li> <li>• Association for Molecular Pathology</li> <li>• Australasian Society of Thrombosis and Haemostasis</li> </ul>

Ireland	<p>Immunology</p> <ul style="list-style-type: none"> <li>• Canadian Society for Immunology</li> <li>• Canadian Society of Allergy and Clinical Immunology</li> <li>• College of American Pathologists</li> <li>• European Federation of Immunological Societies</li> <li>• International Histocompatibility and Immunogenetics Workshop</li> <li>• International Society for Cellular Therapy</li> <li>• International Society for Stem Cell Research</li> <li>• International Union of Immunological Societies</li> <li>• Pan American Group for Immunodeficiencies</li> <li>• New Zealand Society of Immunology</li> </ul> <p>Immunology (Local)</p> <ul style="list-style-type: none"> <li>• Hong Kong Society of Immunology</li> <li>• Hong Kong Society of Histocompatibility and Immunogenetics</li> </ul>	<ul style="list-style-type: none"> <li>• College of American Pathologists</li> <li>• Cord Blood Symposium</li> <li>• European Society of Human Genetics</li> <li>• International Society for Cellular Therapy</li> <li>• International Society for Stem Cell Research</li> <li>• International Society of Haematology Asia-Pacific Division</li> <li>• International Society of Laboratory Haematology</li> <li>• World Congress of World Federation of Haemophilia</li> </ul> <p>Haematology (Local)</p> <ul style="list-style-type: none"> <li>• Hong Kong Society of Haematology</li> <li>• Hong Kong Association of Blood Transfusion and Haematology</li> </ul>
<p>For trainee in <b>Chemical Pathology</b> only</p> <ul style="list-style-type: none"> <li>• Hong Kong Society of Clinical Chemistry (HKSCC)</li> </ul>		
<p>For trainee in <b>Clinical Microbiology &amp; Infection</b> only</p> <ul style="list-style-type: none"> <li>• Asia Pacific Foundation for Infectious Diseases, Asia</li> </ul>		

Presentations in occasions other than the aforementioned meetings require approval by the Training and Examinations Committee.
